Organization: Environmental Management & Controls, Inc.

After review of the 2008 Settlement Agreement our organization:

Agrees with extending the existing agreement through 2019.

Disagrees with extending the existing agreement (see objections below).

Has no opinion (does not agree or disagree) with extending the agreement.

Comments:

It seems to me the agreement could be changed to be made simpler and easier to follow. That said, we have grown accustomed to the current rate schedule.
