Tom,

I don't show the PON column filled out - does that mean it's 98?

Thanks,

*Mandi Evans*

Mandi,

Qwest does not carry any of our Interstate traffic or intrastate traffic only local.

What forms do I need?

Thanks

Tom,

Qwest still needs the PIU/POM/PCL Forms for TSS Digital.

Please be advised if TSS Digital does not submit the form by December 15, the default factors from the tariff will be assigned. These default factors are Interstate=50%, Intrastate=50%, Local=0%. Therefore, TSS Digital would be billed for all IAMs, originating and terminating at the tariff rate.

Thanks,

Tom,

There is some info in the PCAT @ <http://www.qwest.com/wholesale/forms/piupompcl.html> and also some info in the FCC1 Tariff sec. 2.3.10 . If you do not find what you need from either one of these locations please let me know and we can arrange a conference call with the SS7 engineer.

Thanks,

*Mandi Evans*

Tom,

The PIU/POM/PCL Quarterly Update form is used by customers to update their declaration for PIU (Percent Interstate Usage), POM (Percent OtherMessages), and/or PCL (Percent Common Line).

Tom,

Qwest has not yet received the PIU/POM/PCL Form to receive TSS Digital's declarations of CCSAC PIU and POM. We cannot issue the orders to convert until we receive this information. Please fill out the PIU/POM form from the attached link and return as soon as possible.

Call me with questions.
