RE: Docket TG-080144 – Corrected Tariff Adoption Notice

Dear Mr. Dietrich :

In reviewing Docket TG-080144, the commission finds that the Tariff Adoption Notice submitted in this docket is incorrect. The notice indicates a trade name of Basin Disposal of Walla Walla in addition to the company name Basin Disposal of Washington, LLC.

After reviewing the initial filing, the commission finds that this trade name was not submitted in the initial application nor has it been registered and approved through the Secretary of State's Office.

When you have completed the registration process with the Secretary of State, and received approval from them, you can then request the commission reflect a name change adding the trade name of Basin Disposal of Walla Walla by filing a name change application.

Enclosed is the corrected version of the Tariff Adoption Notice which is the official copy recognized by the commission. I am also enclosing a copy of an application for name change, should you chose to pursue such an action.

If you have any further questions on this subject, please contact Lisa Wyse via e-mail at lwyse@utc.wa.gov or at 360-664-1259.

Sincerely,

CAROLE J. WASHBURN
Executive Secretary
