SCHEDULE NO. 3
READY-TO-SERVE SERVICE

Available

To any property owner who has completed and signed a Water Service Application, paid all applicable fees required for water service connection, and had his/her Water Service Application accepted in writing by the utility; and for whom the utility has installed the direct connection from the water system to the subject property.

Rate

\$15.73

(1)

Conditions

1. When Ready-to-Serve Service is established, the meter shall be locked and shall remain so while Ready-to-Serve Service is in effect.
2. At the time water service begins, the customer shall be transferred to Schedule 2, Metered Service.
3. Once Ready-to-Serve Service is established, a customer account may not be inactivated until (a) water service begins and (b) water service is supplying a permanent dwelling unit.

AQUARIUS UTILITIES, LLC

For Commission's Receipt Stamp

SCHEDULE NO. 5
WATER SYSTEM FACILITIES CHARGE
RESIDENTIAL EQUIVALENT CUSTOMER

Applicable:

To all applicants for water service for properties not currently served, both within and outside the Commission Service Area for the utility, when water system capacity is available as defined by the number of connections authorized by the Washington State Department of Health, and where adequate quantity and quality are available.

Rate

Facilities Charge		\$2950.00	(I)
	Total Charge	\$2950.00	(I)

Conditions

1. Any owner, owner's agent, developer, purchaser or purchaser's agent who is a "water service applicant" shall first pay the charge set forth on this Schedule, prior to provision of water service by the utility. A "water service applicant" is a person or entity who has requested water service but has not yet become a "customer".
2. For the purpose of this tariff, a customer is defined as either one of the following:
 - a. A person or entity whose property is directly connected to the water system; or
 - b. A person or entity who has completed and signed a Water Service Application, paid all applicable fees, and had his Water Service Application accepted in writing by the utility, thereby meeting all requirements for direct connection to the water system.
3. ~~The Facilities Charge does not apply to persons or entities who are customers on or before the effective date of this tariff.~~ (D)
4. The utility will own and maintain all materials involved in the provision of water.
5. The Facilities Charge will be in addition to any main extension, service connection or other charges as may be provided elsewhere in this tariff or specified in any contract between the applicant and the utility.

Issued May 22, 2009 Effective October 13, 2009

WN U-1

AQUARIUS UTILITIES, LLC

For Commission's Receipt Stamp

6. The Facilities Charge will be made one time only as applied to the applicant's property, after which time the applicant will be directly connected to the water system. If further subdivision of the property is made at a later date, each new direct connection will be subject to an additional Facilities Charge, upon application for water service.
7. The Facilities Charge applies to one direct connection on one parcel of real property. Each additional connection or dwelling unit, e.g., duplex or detached "mother-in-law" dwelling, on said parcel will be subject to an additional Facilities Charge.
