Notice of Deficient Application – TV-112194

The following items either need to be completed and/or corrected for prompt processing of your application for operating authority:

X Thank you for providing your Unified Business Identifier (UBI) number. Unfortunately, it has not been registered with the Secretary of State's Office. Since you are a corporation, you will also need to register with the Secretary of State's office at 360-725-0377.

X You stated in your letter that you talked with someone in our office regarding the support statements required with the application and they said the statements could be from anyone in any state. Unfortunately, this is incorrect. It has to be from someone in Washington state supporting a **Washington business**. We will need two more statements.

X I'm still not showing that you are registered with the Department of Labor and Industries (L&I) as well as Employment Security Department (ESD). These departments are specific for Washington State since you will be conducting business in the state of Washington. You can reach L&I at www.lni.wa.gov.

Who do I contact if I have questions?

You may call me at 360-664-1170 or e-mail at tleipski@utc.wa.gov. Our fax number is 360-586-1181.

Sincerely,

Tina Leipski
