Transmittal Letter

Re: Election of flexible fares

Dear Mr. King;

This is a filing in accordance with WAC 480-30-420 and General Order R-572. It establishes base fares, defines and elects flexible fares and maximum fares. As the commission considers this transition a change in rates it is also compliant with WAC 480-30-311. The base fares are equivalent to our currently effective rate table(s). We therefore do not foresee any significant increase in revenue from this election in the immediate future. Please cancel our fuel surcharge as of the effective date of our flexible fare tariff filing.

Thank you,

John Solin	360-679-4003	john@setacshuttle.com
