**RE: Notice of Intent to Send to Collections, Penalty Assessment TE-141051**

Dear Sir or Madam:

As you are aware, on May 23, 2014, the Washington Utilities and Transportation Commission issued a Penalty Assessment against Apex Limo Service LLC in the amount of \$1,000 for violation of WAC 480-30-071, which requires charter and excursion carriers to file annual safety reports with the Commission by May 1 each year. Apex Limo Service LLC failed to file its annual report for 2013 and incurred a penalty of \$1,000. Apex Limo Service LLC requested a mitigation of the penalty, and on August 1, 2014, the Commission entered Order 01: Order Granting Mitigation to \$200. The Commission sent you a Final Notice on November 12, 2014.

The Commission has not received the \$200 payment due and owing.

**This is to notify you that the Commission intends to forward your outstanding debt to a collection agency for collection.** You likely will incur additional expenses and fees, including costs of collection, attorney's fees, and interest. These expenses and fees will be added to your outstanding \$200 balance.

If you have any questions about this letter or about the company's obligations under Commission rules, you may contact Sondra Walsh at (360) 664-1286.

Very truly yours,

  
SALLY BROWN  
Senior Assistant Attorney General
