Updated 2015 Integrated Resource Plan Work Plan
Compliance with Order 01**

Dear Mr. King:

Attached please find the updated Work Plan for Puget Sound Energy, Inc.'s ("PSE") 2015 Integrated Resource Plan ("IRP"). This is consistent with the Commission's Order 01 in the above-referenced dockets. This Order granted PSE's request to modify the filing date of its 2015 IRP filing, to provide time to base the IRP analysis on an updated load forecast.

The document includes:

- Section I: Anticipated Timeline for Public Participation;
- Section II: Summary of Methods for Assessing Resources; and
- Section III: Outline of Content

Please note the Anticipated Timeline for Public Participation (Appendix A) has been updated to reflect the new filing date for the 2015 IRP by September 30, 2015, as referenced in Order 01. The remainder of the document is unchanged from the initial Work Plan filing dated May 29, 2014.

Please contact Phillip Popoff, Manager-Integrated Resource Planning, at (425) 462-3229 with any questions pertaining to the Work Plan. Please feel free to contact me at (425) 456-2110 if I can be of any assistance.

Sincerely,
