RE: *Washington Utilities and Transportation Commission v. Washington & Idaho
Railway, Inc.*, Docket No. TR-143978

TO ALL PARTIES:

On May 29, 2015, the Washington Utilities and Transportation Commission (Commission) issued a Complaint for Penalties and Notice of Brief Adjudicative Proceeding, set for July 28, 2015, at 9:30 a.m.

On July 23, 2015, Commission Staff (Staff) notified the Commission that the parties had reached a settlement in principle, but agreed more time is needed to memorialize the settlement agreement. Staff requests, on behalf of the parties, that the remaining procedural schedule in this matter be suspended, and that the parties be permitted to file a settlement agreement or a report on the status of their settlement negotiations no later than August 21, 2015.

The Commission finds good cause to suspend the procedural schedule and therefore grants the parties' request. The parties must file either a settlement agreement and supporting documentation or a report on the status of their settlement negotiations by August 21, 2015.

THE COMMISSION GIVES NOTICE That the procedural schedule in this matter is suspended. By August 21, 2015, the parties must file either a settlement agreement and supporting documentation or a status report of their negotiations.
