RE: *In the Matter of a Penalty Assessment Against IPDATASTREAM, LLC,*
Docket UT-150826

Dear Mr. Hughes:

This letter responds to your inquiry that the Washington Utilities and Transportation Commission (Commission) received on July 27, 2015, in which you ask about the process to appeal the Commission's Order Denying Mitigation (Order 01) entered July 9, 2015, in Docket UT-150826.

Order 01 is an order the Commission delegated to the Executive Director and Secretary for entry. Pursuant to Washington Administrative Code (WAC) 480-07-904(3), any affected person may ask the Commission to review such a delegated order no later than 14 days after the date the decision is posted on the Commission's website. The Commission included a notice of that opportunity on page three of Order 01, and the Commission's rules are available on its website at www.utc.wa.gov.

The Commission posted Order 01 on its website on July 9, 2015, the date the Commission entered the order. A request for Commission review was due by July 23, 2015. The Commission did not receive a request for review in this docket by that date. Accordingly, Order 01 is final and not subject to Commission review, and this docket is closed.

If you have further questions, you may contact me at (360) 664-1355 or by email at gkopta@utc.wa.gov.

Sincerely,

GREGORY J. KOPTA
Director, Administrative Law Division
