For passengers with service animals, they will be carried free of charge. Service animals will not be permitted to occupy a seat, but must lie or stand at the feet of the passenger.

**Intermediate Application:** Fares to and from intermediate points not shown will be the same as the fare to or from the next more distant station for which fares are named.

**Objectionable Passengers:** This company reserves the right to refuse to transport persons under the influence of drugs or alcohol, or who are incapable of taking care of themselves, or whose conduct or behavior may be objectionable to other passengers. The carrier also reserves the right to refuse carriage of any materials that the carrier considers unsafe and not in the best interest of the passengers.

**Round trip fares:** Except as otherwise provided, round trip fares will be computed at (A) double the rate of the one-way fare, minus five dollars.

**Schedule Maintenance:** Carrier will not be liable for delays caused by accidents, breakdowns, bad road conditions, snow storms or other conditions beyond the control of the carrier and does not guarantee arrival at, or departure from, any point at any specific time. The time schedules provided are schedules the carrier endeavors to maintain, but does not guarantee to be able to do so at all times due to conditions listed above.

**Baggage/Luggage Allowances:** Passengers are allowed two bags per person. There is a \$10 charge for each piece of luggage over two. All Baggage is subject to inspection for the safety and comfort of all passengers. When a child restraint system is required the child must provide and install their own car or booster seat, for safety. It is required by our insurance that all occupants, including children, must wear seat belts at all times while the shuttle is in motion.

**Fares:** All fares are not all the same price. Please refer to the rate schedules. However, when booking 3 or more people you receive a 20% discount on each passenger after the second.

**Refunds:** Ticket limitations, changes, cancellations and refunds: One-way tickets will be good for 180 days from the date of sale. Round-trip tickets will be good for 180 days from the date of sale. A single transaction fee of as much as \$10.00 per person will be charged when reservations are re-scheduled or cancelled. Changes are not allowed after the scheduled departure time of the reservation. Reservations may not be changed to a date more than 180 days from the date of the original reservation. Customers who fail to show up by the scheduled departure time of their reservation at the designated pick-up point or who have not cancelled or changed their reservation at least 48 hours prior to that time are not eligible for a refund. Refunds will be made if the cancellation or change was caused by an airline delay or cancellation, minus the \$10 processing fee per person. Refunds may be granted by the company due to other extenuating circumstances.

**Ticket redemption:** Unused tickets will be redeemed at the purchase price. Unused portions of round trip or commutation tickets will be redeemed by charging the regular fare or fares for the portion or portions used and refunding the balance of the purchase price except as provided for in the Ticket Limitations section of these rules.
