You can request a second extension of time; however, our grant funds are exhausted for this biennium, so we would be unable to consider an increase in the grant amount.

If you would like to request a second extension of time, please advise how much additional time you'll need.

Hi Betty, we ran into some issues with PSE installing the new lighting because of a underground utility conflict
Everything has been worked out and scheduled but the cost has increased \$1004.30 and it is going to take us at least two weeks to cut a check to PSE.

Can we get an time extension and an a increase of \$1,004.30 to cover PSE's cost

Thank You
