This is a response to the DOCKETS TV-190405 and TV-190410 (Consolidated) initial order from UTC regarding approving safety plan, upgrading safety rating to conditional and imposing and suspending penalties. I wanted to let you know that we accept this decision and waive our right for additional administrative hearing. We appreciate the assistance and guidance we have received from UTC officers throughout the process and will make sure we stay fully compliant in the future. We are going to pay the penalty of \$1,500 as it is stayed in the order on or before July 27<sup>th</sup>, 2019.
