Re: Notice of Intent to Send to Collections, D-200618

Dear Mr. Minton:

As you are aware, on September 2, 2020, the Utilities and Transportation Commission issued a penalty assessment against S & J Fencing in the amount of \$1,000 for violations of the Commission's dig laws. A portion of the penalty was waived on two conditions, one of which was that the company would complete NUCA Dig Safe Training. On November 22, 2021, Staff filed a letter in this docket stating that S & J had not provided verification of the NUCA training, and recommending that the Commission impose the suspended portion of the penalty. On December 6, 2021, the Commission notified the parties that the full penalty was re-imposed. On February 9, 2022, a Final Notice was sent to S & J Fencing in the amount of \$800, which was due on receipt. To date, the Commission has not received the balance due.

This is to notify you that the Commission intends to forward your outstanding debt to a collection agency for collection. You will likely incur additional expenses and fees, including costs of collection, attorney's fees, and interest.

If you have any questions about this letter or about the company's obligations under Commission rules, you may contact Kim Anderson at (360) 664-1153.

Very truly yours,

/s/ Jeff Roberson, WSBA No. 45550
