Re: Docket No. UT-900726, AOS and Pay Phone rule amendments
Change in hearing date from May 1 to May 8, 1991.

Because of a scheduling conflict, it is necessary to change the date on which the Commission will hear comments on the proposed amendment of rules regarding pay phone providers and alternate operator service companies.

The docket will appear on the May 1 agenda, with a recommendation that oral comments and action, if any, be deferred for one week. The Commission expects to hear no oral comments May 1. The Commission intends to take no action regarding the rules at its May 1 meeting other than to continue the matter to May 8.

Sincerely,

A handwritten signature in cursive script that reads "Paul Curl".
