

**BEFORE THE WASHINGTON
UTILITIES AND TRANSPORTATION COMMISSION**

In the Matter of

PACIFIC POWER & LIGHT
COMPANY,

2016 Power Cost Adjustment Mechanism

Docket UE-170717

PACIFIC POWER & LIGHT
COMPANY'S MOTION TO AMEND
THE PROCEDURAL SCHEDULE

1 Pacific Power & Light Company (Pacific Power), a division of PacifiCorp, moves for the entry of an order amending the Procedural Schedule by the Washington Utilities and Transportation Commission (Commission) as follows.

2 On October 26, 2017, after a prehearing conference with all parties, the Commission issued its Procedural Schedule. On November 8, 2017, Pacific Power filed a motion to amend the procedural schedule. On December 22, 2017, a revised procedural schedule was issued by the Commission laying out the following dates:

Event	Date
Staff, Public Counsel, and Intervenor Response Testimony Exhibits	January 25, 2018
Pacific Power Rebuttal Testimony and Exhibits; Staff, Public Counsel, and Intervenor Cross-Answering Testimony and Exhibits	March 8, 2018
Discovery Cut-off	April 9, 2018
Cross-Examination Exhibits, Witness Lists, and Time Estimates	April 19, 2018
Evidentiary Hearing	May 1, 2018
Simultaneous Post-Hearing Briefs	June 7, 2018

3 Under Wash. Admin. Code §480-07-385, a continuance may be granted by the Commission if the requesting party demonstrates good cause and that no other party or the Commission will be prejudiced. Upon reviewing testimony, Pacific Power realized that certain information responsive to discovery from Commission Staff (Staff) had been omitted. Pacific Power notified Staff on Monday, March 5, 2018, and supplemented the discovery response the next day, Tuesday, March 6, 2018. After discussions with the parties and in order to provide the parties an opportunity to respond to this new information, Pacific Power requests that all parties be allowed to file Supplemental Testimony and Exhibits.

4 Pacific Power requests that the Commission issue an order limiting the scope of supplemental testimony solely to the non-duplicative¹ supplemental data responses that were produced on Tuesday, March 6, 2018. This is necessary in order to ensure that the hearing date, which has already been delayed once, need not be delayed again. Pacific Power has discussed this provision with Staff, Boise White Paper, LLC. (Boise), and Public Counsel. None of the parties object to this limitation. Therefore, good cause exists to adjust the procedural schedule in order to ensure that no Parties have been prejudiced.

5 Pacific Power is proposing a revised schedule as follows:

Event	Date
Staff, Public Counsel, and Intervenor Supplemental Response Testimony and Exhibits	April 11, 2018
Pacific Power Supplemental Rebuttal Testimony and Exhibits; Staff, Public Counsel, and Intervenor Supplemental Cross-Answering Testimony and Exhibits ²	April 19, 2018

¹ Pacific Power had produced two confidential attachments in the supplemental production. One of these attachments had already been produced.

² Responses to Data requests will be 5 days.

Discovery Cut-off	April 20, 2018
Cross-Examination Exhibits, Witness Lists, and Time Estimates	April 26, 2018
Evidentiary Hearing	May 1, 2018
Simultaneous Post-Hearing Briefs	June 7, 2018

6 Pacific Power has conferred with all the parties, and they have agreed to the changes outlined in this motion.

Respectfully submitted this 8th day of March, 2018.
