**BACKGROUND**

1 This matter comes before the Washington Utilities and Transportation Commission (Commission) for approval of a negotiated sixth amended agreement (Amended Agreement) under the Telecommunications Act of 1996 (Telecom Act). The Amended Agreement is between TCG Seattle (TCG), and Qwest Corporation (Qwest), f/k/a U S WEST Communications, Inc. The Commission approved an interconnection agreement between the parties on January 29, 1997, a first amended agreement on December 13, 2000, a second amended agreement on August 22, 2001, a third amended agreement on November 16, 2001, and the fourth and fifth amended agreements on March 13, 2002 . The Commission ordered that in the event the parties amended their agreement, the amended agreement would be deemed a new agreement under the Telecom Act and must be submitted to the Commission for approval. The parties filed a joint request for approval of a sixth amendment on March 19, 2002.

**MEMORANDUM**

2 The Amended Agreement between TCG and Qwest was brought before the Commission at its regularly scheduled open meeting held on April 10, 2002, at its offices in Olympia, Washington. The Commission granted its approval of the Amended Agreement as negotiated and requested by the parties.

**FINDINGS OF FACT**

3 The Commission is an agency of the State of Washington vested by statute with the authority to regulate the rates, rules, regulations, practices, accounts, securities, and transfer of public service companies, including telecommunications companies.

4 Section 252(e)(1) of the Telecom Act requires parties to a negotiated agreement to submit the agreement to the Commission for approval. Section 252(e)(2)(A) states that the Commission may only reject an agreement (or any portion thereof) adopted by negotiation if it finds that:

5 (i) the agreement (or any portion thereof) discriminates against a telecommunications carrier not a party to the agreement; or

6 (ii) the implementation of such agreement or portion is not consistent with the public interest, convenience, and necessity.

7 Qwest is engaged in the business of furnishing telecommunications services, including, but not limited to, basic local exchange service within the state of Washington.

8 TCG is authorized to provide telecommunications services to the public in the state of Washington.

9 The Commission approved an interconnection agreement between the parties on January 29, 1997, a first amended agreement on December 13, 2000, a second amended agreement on August 22, 2001, a third amended agreement on November 16, 2001, and the fourth and fifth amended agreements on March 13, 2002. The Commission ordered that in the event the parties amended their agreement, the amended agreement would be deemed a new agreement under the Telecom Act and must be submitted to the Commission for approval.

10 On March 19, 2002, the parties filed with the Commission a joint request for approval of a sixth amendment to the previously approved interconnection agreement, pursuant to the Telecom Act.

11 TCG and Qwest voluntarily negotiated the entire amendment.

12 The Amended Agreement does not discriminate against any other telecommunications carrier.

13 The Amended Agreement will facilitate local exchange competition in the state of Washington by enabling TCG to expand its presence in the local exchange market and increase customer choices for local exchange services.
