

UTC BENCH REQUEST NO. 2:

Please provide an up-to-date count of the number of meters left to be installed on the Echo Glen water systems.

WWS Response to Bench Request No. 2:

As of May 6, 2025, there are 17 residences that are not metered for the Echo Glen water system.

UTC BENCH REQUEST NO. 3:

Please provide a complete breakdown of the litigation costs incurred by the Company related to the consolidated dockets UW-240079 and UW-230598.

- a. Please separately identify each transaction invoiced and paid by the Company and identify the associated docket number, subject matter, and a description of the work performed for each transaction.
- b. Please separately identify any other litigation costs expected during the pendency of the consolidated dockets, including the associated docket number, subject matter, and description of the work to be performed for each expected transaction.
- c. Please provide the total of all litigation costs that the Company seeks recovery of, identifying each transaction invoiced and paid by the Company and identify which system of the Company the work was performed for, the subject matter and description of the work performed, and identify if any time spent on legal work for the Company was separately billed to any other business, legal entity, or individual.

WWS Response to Bench Request No. 3:

- a. **Please see the attached invoices, which have been highlighted according to the docket number for which the work was completed. The invoices include the subject matter and description of work performed. The color key is:
Blue: UW-240079
Yellow: UW-230598
Green: UW-240079 and UW-230598
Pink: UW-230997
No Highlight: Not applicable to any UTC Docket and not being sought here.**
- b. **In the month of May, the Company expects to incur additional litigation costs pertaining to the drafting of the Closing Brief and the completion of these Bench Requests. The docket numbers associated with these tasks include UW-240079 and UW-230598.**
- c. **WWS is currently seeking a total of \$40,979.50 for litigation costs (this number does not include fees yet to be incurred in May 2025). These costs include all the yellow, blue, and green highlighted transactions in the invoices provided. These costs do not include pink or non-highlighted transactions. The invoices provide the subject matter and descriptions of the work performed. All work performed was for the Echo Glen water system in dockets UW-240079 and UW-230598. No legal work performed for WWS was billed to any other business, legal entity, or individual. WWS has also attached an invoice summary in the event that is helpful to the Commission.**
