**Re: UT-090842 – Joint Application of Verizon Communications Inc. and Frontier Communications Corporation for an Order Declining to Assert Jurisdiction Over, or, in the Alternative, Approving the Indirect Transfer of Control of Verizon Northwest Inc.; Response to Bench Request No. 3**

Dear Mr. Danner:

Enclosed please find an original and three (3) copies of Frontier Communications Northwest Inc. supplemental information to Bench Request No. 3:

- Wire center tracking spreadsheet indicating Frontier's progress towards the goals laid out in Final Order No. 06, Appendix A, section 16, "Frontier NW must make available retail broadband Internet access service with a download speed of 1.5 Mbps or higher and an upload speed of 381 kbps or higher to 75% of the households in its service area by the end of 2011."
- The monthly breakdown of expenses by project code and months.
- Updated methodology document explaining differing Census databases.

These documents in their entirety are designated and marked "Highly Confidential per Protective Order in UTC Docket No. UT-090842" in above referenced docket and should be treated as such. Accordingly, these documents are sent in sealed envelopes and if delivered electronically in separate emails to parties that have executed the Highly Confidential and Confidential protective order in this docket.

Please let me know if you have questions.

Sincerely,

Carl Gipson  
Manager, Government and External Relations
