INTERVENOR: Bench Requests

REQUEST NO: 001

Please submit an agreed version(s) of Exhibit A to Qwest's SGAT in effect at the time of negotiation and execution of the DC power measuring amendment. If more than one version was filed during the negotiation/execution period, please identify the time period each was in effect.

RESPONSE:

The attached documents are agreed by the parties to be the Exhibit A's to Qwest's SGAT during the time period specified in this Bench Request. The "8th Revised 7th Amended" was approved by the Commission on May 26, 2004 in Docket No UT-043026, while the "8th Revised 8th Amended" was approved on August 11, 2004 in Docket No. UT-043058. The sections applicable to Power Plant and Power Usage are the same in each Exhibit A. The parties continue to disagree, as set forth in earlier pleadings, as to the effectiveness of the Exhibit A provided by McLeod as an attachment to its opening brief and as to the effectiveness of revised Exhibit A's to Qwest's SGAT on the parties' interconnection agreement.
