RE: *Washington Utilities and Transportation Commission, Complainant, v. Puget Sound Energy, Respondent, Docket UE-100177*

TO PARTIES OF RECORD:

On June 4, 2010, the Washington Utilities and Transportation Commission (Commission) issued an order, Order 04, which found that Puget Sound Energy's (PSE's) Biennial Conservation Target Report (Report) was insufficient. The Commission rejected the Report and directed PSE to re-file it using figures derived from PSE's Integrated Resource Plan.

The Commission received PSE's revised Report on June 18, 2010. Parties to this matter are invited to file comments concerning whether PSE's re-filed Report complies with the requirements in the Commission's Order 04.

If any party wishes to respond to the Report filed by PSE, they should do so by **Friday, July 9, 2010 at 3:00 p.m.** Please direct questions regarding this notice to Marguerite E. Friedlander, at 360-664-1285, or by e-mail at mfriedla@utc.wa.gov.

Sincerely,
