				<p>*The Yakama Nation has failed to produce responsive documents due by March 13, 2015. The Yakama Nation requested an extension, stating that it would produce responsive documents by April 10, 2015, prior to the deadline for the cross-examination exhibit list. On April 10, 2015, at 4:43 p.m., the Yakama Nation, by email, stated that it would be unable to produce documents by the extended deadline. Instead, it stated that it would produce responsive documents by April 17, 2015. Accordingly, BNSF reserves the right to add such additional documents as cross-examination exhibits upon the Yakama Nation's belated production.</p>
