Re: Docket No. UT-960326  
Request for Approval of Amendment to the Interconnection Agreement between  
Qwest Corporation and TCG-Seattle

Dear Ms. Washburn:

In accordance with the Interpretive and Policy Statement issued on June 28, 1996 in Docket No. UT-960269, please find enclosed an original and two (2) copies of the Unbundled Network Elements (UNE), Unbundled Loops, Subloop Unbundling, Network Interface Device (NID) and Unbundled Dark Fiber Amendment Number 7 to the Interconnection Agreement between Qwest Corporation and TCG-Seattle for the State of Washington.

The enclosed Amendment does not discriminate against non-party carriers. It is consistent with the public interest, convenience, and necessity. It is also consistent with applicable state law requirements, including Commission orders regarding interconnection issues. Qwest respectfully requests that the Commission approve this Amendment expeditiously.

The Order on Arbitration Procedure also requests that a proposed order accompany the filing. Qwest requests a waiver of that requirement, and is not providing one with this filing, as the Commission has, in the past, used its own format for Orders. If this is not satisfactory to the Commission, please contact me and I will forward a proposed order immediately.

Sincerely,

Adam L. Sherr
