You indicated you would have a response for us this week, after your meeting with Bill Cheek. Time is of the essence. Please let us know the status.

Karen

At the May 4 meeting, CenturyLink had indicated it would respond last week, and in your email below you promised an update after your meeting last week. We haven't received either. As indicated in my earlier email, we will not wait indefinitely, and there is going to come a point (not far away) when we cannot wait any longer. What is CenturyLink's response?
