NOTICE OF FINAL EXHIBIT LIST
&
NOTICE OF ADMISSION OF ALL BENCH REQUEST RESPONSES

RE: *WUTC v. PacifiCorp d/b/a Pacific Power & Light Company,*
Docket No. UE-050684

*In the Matter of the Petition of PacifiCorp d/b/a Pacific Power & Light Company for
an Order Approving Deferral of Costs Related to Declining Hydro Generation,*
Docket No. UE-050412

TO ALL PARTIES:

The Commission has received responses to all bench requests issued in this proceeding, as well as supplemental responses to certain bench requests. Under the procedure for responding to bench requests set forth in the notice issued on February 6, 2006, the time for responding or objecting to bench request responses has passed.

The Commission received only one objection to bench request responses: Staff's objection to PacifiCorp's response to Bench Request No. 25. Staff objects to the method the company used to respond to the bench request. Staff also provides its own response to the bench request using its preferred method. **The Commission denies Staff's objection to the company's response, and admits both the company's and Staff's responses to Bench Request No. 25 into the record.**

The Commission admits into the record as Exhibits 580, 731-755, 759, and 761-775 the parties' responses to Bench Request Nos. 1 through 35. The attached final exhibit list identifies the bench request responses, and supplemental responses, and the date the responses were admitted into the record.

Sincerely,
