Re: Washington Utilities and Transportation Commission Docket Nos. UT-003022
and UT-003040, Qwest Section 271/SGAT Proceeding

Dear Mr. Stright:

Thank you for your participation in the hearings held this past week in the Qwest Section 271/SGAT proceeding in Washington. During your cross-examination, Ms. Doberneck asked you to provide certain information that was designated as Records Requisition No. 7. As you may not be aware of the procedural rules that apply to hearings before the Commission, I trust the following will be of help as you respond to Ms. Doberneck's question. Section 480-09-480(6)(v) of the Washington Administrative Code provides that responses to record requisitions must be sent to the requesting party and any other party requesting a copy within 10 days, excluding weekends and holidays, after the transcript is delivered to the Commission, unless the presiding officer establishes another schedule. Considering that the parties are scheduled to file post-hearing briefs with this Commission on Monday, May 6, 2002, please provide your response to Ms. Doberneck and any other party who may have requested a copy no later than **Friday, May 3, 2002.**

Sincerely,

ANN E. RENDAHL
Administrative Law Judge
