

Non-Communicating Digital Meter Application

Terms & Conditions, Customer Application

I represent and warrant that I am the named, authorized person on the customer account number provided. I further represent and warrant that I am either the legal owner of the premise or a tenant at the premise who has obtained permission from the owner as indicated below.

By signing this form, I am indicating that I do not want an Advanced Meter. By signing this form, I acknowledge that a non-communicating digital meter shall be installed at the premise listed on this form in lieu of an Advanced Meter.

I understand that, in accordance with Avista Utilities Tariff Schedule 80, my account will be assessed an

ongoing meter reading fee for each billing cycle once the service transitions to automated reading.

I also understand that I could be assessed a meter installation fee if this application is not returned prior to the scheduled installation of an advanced meter, or within 30 days of the actual installation of an advanced meter.

I understand that I am only eligible to take service under Avista Rate Schedule 1 and will not be able to receive any other enhanced benefits that the Advanced Metering system provides.

I agree that I will maintain clear and direct access to my meter(s) allowing Avista employees to manually read the meter(s) on a quarterly basis each year.
