RE: Docket U-161024—Pacific Power & Light Company Avoided Cost Procedures

In response to a request received at the avoided cost workshop in the above-referenced rulemaking proceeding, Pacific Power & Light Company is providing a copy of its current tariffs for states that have approved timelines and procedures in the Company's avoided cost tariffs.

Please direct inquiries to Ariel Son, Regulatory Affairs Manager, at (503) 813-5410.

Sincerely,

Etta Lockey
Vice President, Regulation
