Respondent.

DOCKETS UE-170033 and UG-170034
(Consolidated)

EXHIBIT AML-2 TO PREFILED RESPONSE TESTIMONY

(NON-CONFIDENTIAL) OF AMANDA M. LEVIN

ON BEHALF OF NW ENERGY COALITION

JUNE 30, 2017

1 **Q. Please state your name, business address, and occupation.**

2 A. My name is Amanda Levin and my business address is 1152 15th Street NW, Suite 300,
3 Washington, DC, 20005. I am an Energy and Climate Analyst for the Natural Resources
4 Defense Council (NRDC).

5 **Q. What is your educational background?**

6 A. I have a Bachelors in Public Policy from Stanford University and a Master's in Public
7 Policy, with a concentration in Energy and Natural Resources, from Stanford University.

8 **Q. Briefly describe your role as an energy analyst at NRDC.**

9 A. I have worked at NRDC as an energy analyst since June 2014. As an analyst at NRDC, I
10 focus on technical analysis, research, and modeling for the Energy & Transportation and Climate
11 programs. My current work centers on carbon polices, decarbonization strategies, energy
12 efficiency, renewables integration, and wholesale market issues reforms in the eastern U.S. I
13 also serve as a technical expert for NRDC at federal agency conferences, state proceedings, and a
14 few stakeholder groups. At NRDC, I have published reports on carbon policy design issues,
15 utility rate design issues, including decoupling, and broader power sector and jobs modeling.
16 My research on electric restructuring, utility business model design, and energy efficiency issues
17 have been published in a variety of academic press and journals.

18 I have participated in utility proceedings in the State of Virginia, North Carolina, and
19 Wisconsin. I am currently serving as a witness in open utility dockets in front of the Virginia
20 State Corporation Commission and New Mexico Public Regulation Commission.
