Subject: In re Application No. D-079116 of CWA, Inc., d/b/a Central Washington Airporter  
Docket No. TC-021402

Dear Ms. Washburn:

Attached are CWA, Inc., d/b/a Central Washington Airporter's ("CWA") Brief In Support of Application and CWA's related testimony. CWA is filing the original version of these documents, six hard copies, and an electronic version. WAC 480-09-120(1)(b). CWA's witnesses have signed and certified their testimony but not notarized it. CWA is aware that the Commission Staff submitted comments requesting that CWA submit sworn testimony that is signed and notarized, and that the Commission's First Supplemental Order in this docket also requested signed and notarized testimony. RCW 9A.72.085 however allows parties to submit signed written statements without notarization, as CWA has done. I discussed the fact that CWA's witness testimony would be signed but not notarized in accordance with this statute with Commission Staff attorney Mary Tennyson, and she had no objection to this approach. I also informed Administrative Law Judge Larry Berg that CWA would submit its testimony in this manner. If this approach does not meet the Commission's requirements, CWA will resubmit its statements in strict compliance with the requirements of the First Supplemental Order.

Very truly yours,

David L. Rice
