Washington Utilities and Transportation Commission  
PO Box 47250

05/26/05

Dear Ms. Washburn:

I request an extension of 20 days to finalize and remit our "2004 Annual Report" to the Washington Utilities and Transportation Commission.

We already remitted the "Washington Motor Vehicle Fund" fees on the required date, May 1, 2005. Due to staff changes in the past 3 months and inadequate performance of our previous accountant, we have found the need to review each account in detail to provide accurate and correct information. The process has been long and time consuming, but is necessary to ensure the integrity of the "2004 Annual Report" of our business.

Thank you,

James N. Fricke
