Re: *Washington Utilities and Transportation Commission v.*
Fragaria Landing Water Company, Inc., Docket No. UW-060662

Dear Judge Moss:

Commission Staff, with the agreement of Fragaria Landing Water Company, requests approval for a revision of the procedural schedule in the proceeding referenced above. The parties are engaging in settlement discussions and are hopeful for settlement. A death in the family has prevented commission staff's decision maker from participating in analysis and negotiations until very recently, and without his participation the parties could not enter into settlement.

To account for Staff's absence, and to provide additional time for settlement discussions, we propose the following revised schedule. It is our understanding that the proposed dates for the prehearing conference, hearing, and oral argument are presently available on the commission's calendar.

	<u>From</u>	<u>To</u>
Staff files testimony	July 31, 2006	September 6, 2006
Company files response testimony	August 18, 2006	September 25, 2006
Staff files rebuttal testimony	September 1, 2006	October 5, 2006
Prehearing Conference	September 11, 2006	October 27, 2006
Evidentiary Hearing	September 14, 2006	November 1, 2006
Oral Argument in lieu of briefs	September 15, 2006	November 2, 2006

Thank you.

Sincerely,

MICHAEL FASSIO
Assistant Attorney General
