**NOTICE OF CONTINUANCE OF PREHEARING CONFERENCE  
(To Monday, October 9, 2006 at 1:30 p.m.)**

Re: *Washington Utilities and Transportation Commission v. Washington Water Service Company*, Docket UW-060761

TO ALL PARTIES:

On August 25, 2006, the parties requested a continuance of the prehearing conference, now scheduled for August 29, 2006. The parties stated that they are very close to resolving contested issues in this docket and expect the company will file revised tariff sheets with the Commission soon, seeking approval of the revisions at a Commission open meeting in September. If the Commission approves the revisions, the need for a hearing would be eliminated.

Based on the parties' request and the possibility that the revised tariff sheets will eliminate the need for a hearing, it is reasonable to grant a continuance of the prehearing conference.

**NOTICE IS GIVEN That the prehearing conference in this matter is continued to Monday, October 9, 2006 at 1:30 p.m.**

Sincerely,

CAROLE J. WASHBURN  
Executive Secretary
