- 7(iii) Demonstrate, at a minimum, that the contract charges cover the company's cost of providing the service. Costs will be determined under a long-run incremental cost analysis, including as part of the incremental cost, the price charged by the offering company to other telecommunications companies for any essential function used to provide the service, or any other commission-approved cost method.
- 7(iv) Summarize the basis of the charge(s) proposed in the contract and explain the derivation of the proposed charge(s) including all cost computations involved.

Rates will remain the same as existing agreement. Therefore, a new cost study was not prepared. See study filed under Contract No. 1413 ICB in Docket UT-071648. The purpose of this amendment is to include a technology upgrade provision in the existing agreement.
