Dear Mr. Danner:

Please find attached copies of revisions for G-60 Tariff Number 27 for Fiorito Enterprises, Inc & Rabanco Companies (dba Kent-Meridian Disposal Company, Allied Waste of Kent). This change in the tariff reflects a change in the expiration date for commodity credits for single-family and multi-family customers in the Service Areas defined in Appendix A.

The rates, approved on docket TG-101075, were set to expire July 31st, 2011. We are requesting to extend the expiration date to September 30th, 2011 to allow time to develop a new Revenue Share Agreement with King County for the 2011-2012 plan year. These replacement pages reflect the new expiration date and are accompanied by a Less than Statutory Notice requesting the rates become effective August 1<sup>st</sup>, 2011.

If you have any questions please call me at (425) 646-2426.

Sincerely,

Alex Brenner
