BEFORE THE WASHINGTON UTILITIES AND TRANSPORTATION COMMISSION

In the Matter of the Penalty Assessment
Against
TELEMANAGEMENT SYSTEMS, INC.
In the Amount of \$1,000.

DOCKET UT-140920
COMMISSION STAFF'S
REQUEST TO WITHDRAW
PENALTY ASSESSMENT AND
CANCEL HEARING

1 On June 2, 2014, the Washington Utilities and Transportation Commission
(Commission) issued a \$1,000 Penalty Assessment against TeleManagement Systems, Inc.
(TeleManagement or Company) in the above-referenced docket, for ten violations of WAC
480-120-382, which requires that telecommunications companies furnish annual reports to
the Commission no later than May 1 each year. On June 16, 2014, Christy Bodaness of
TeleManagement filed a request for hearing on behalf of the Company, accompanied by a
letter. The Company stated that it submitted a letter in August 2013, and paperwork
reflecting cessation of Washington operations, and provided documentation that it ceased
doing business in Washington in 2012 and had no revenues in the 2013 business year. The
Company included its 2013 Annual Report with its request for hearing.

2 The Commission has scheduled a Brief Adjudicative Proceeding on August 26,
2014, to consider the matter.

3 Commission records reflect no formal request from TeleManagement to the
Commission to cancel the registration on file. Commission Staff has confirmed that the
Company closed its operating license with the Washington Department of Revenue in 2013
and reported no revenues for 2013. Commission Staff will accept the Company's
documentation as proof that the Company no longer operates in Washington. The letter

provided by Ms. Bodaness on June 16, 2014, will serve as notice of cessation of service and voluntarily cancellation of TeleManagement's registration. This has been assigned Docket No. UT-143083 and will be on the Commission's August 28, 2014, open meeting agenda. A penalty assessment may serve both to punish noncompliance as well as provide an incentive to comply in the future. Neither of these goals is furthered if the Company ceased operations in Washington and is no longer registered to provide telecommunications service in Washington. Accordingly, Commission Staff requests that the penalty assessment be withdrawn and the hearing canceled.

DATED this 13th day of August, 2014.

Respectfully submitted,

ROBERT W. FERGUSON
Attorney General

MICHAEL A. FASSIO
Assistant Attorney General
Counsel for Washington Utilities and
