RE: *In the Matter of Determining the Proper Carrier Classification of, and Complaint for Penalties against Heidi Bergman d/b/a Alice the Mover, Docket TV-151656*

TO ALL PARTIES:

On October 15, 2015, the Washington Utilities and Transportation Commission (Commission) entered Order 02, Stipulated Initial Order Classifying Respondent as Household Goods Carrier; Ordering Respondent to Cease & Desist; Imposing and Suspending Penalties on Condition of Future Compliance (Order 02). Order 02 ordered Heidi Bergman d/b/a Alice the Mover (Alice the Mover or Company) to cease and desist operating as a household goods carrier and imposed a fine of \$5,000 for two violations of RCW 81.80.075, all but \$500 of which was suspended for a period of two years from the date of Order 02, conditioned on the Company (a) submitting a complete household goods carrier application by 5 p.m. on October 23, 2015, and (b) refraining from operating as a household goods carrier without a permit from the Commission.

Order 02 states that if the Company fails to submit a complete household goods carrier application by October 23, 2015, the \$4,500 suspended portion of the penalty would become immediately due and payable. Commission records indicate that, as of November 17, 2015, Alice the Mover has not submitted a household goods carrier application as required by Order 02.

Accordingly, Alice the Mover has not complied with the conditions under which the Commission suspended \$4,500 of the \$5,000 penalty assessment. The full penalty amount of \$5,000, less the \$500 paid to date, is now due and payable.

Sincerely,

STEVEN V. KING
