RE: *In the Matter of the Petition of Basin Disposal, Inc. for an Accounting Order  
Authorizing a Return on a Deferred Asset,*  
Docket TG-170977

TO ALL PARTIES:

On January 26, 2018, the Washington Utilities and Transportation Commission (Commission) entered its final order, Order 01 Granting Accounting Petition Authorizing Return on a Deferred Asset at the Federal Energy Regulatory Commission Rate (Order 01) in docket TG-170977. Order 01, among other things, required Basin Disposal, Inc. (Basin Disposal or Company) to file new tariff pages reflecting the approved rate impact by April 1, 2018.

On February 27, 2018, Basin Disposal filed new tariff pages, one of which requested an effective date of April 13, 2018, and on March 12, 2018, the Company filed a replacement page requesting an effective date of April 1, 2018, consistent with Order 01.

On March 16, 2018, Commission staff (Staff) filed a letter informing the Commission that Staff had reviewed the new tariff pages and found that they comply with the terms of Order 01.

The Commission accepts the new tariff filing as in compliance with the terms of Order 01.
