Re: Docket No. UE-180102 – Avista Voluntary Solar Select Program

Dear Mr. King,

On February 2, 2018, Avista Corporation, dba Avista Utilities, filed proposed tariff Schedule 87, “Voluntary Solar Select Program”, applicable to large commercial and industrial customers. After further discussion with Commission Staff, the Company proposes to extend the effective date of the tariff to April 2, 2018, to allow for additional time for Staff to review the Company’s filing.

In addition, the Company recognized that the tariff sheet labeled 87d in its previous filings should have been 87c. The Company has updated the tariff sheet with the tariff filed herein.

If you have any questions regarding this filing please call Shawn Bonfield at 509-495-2782 or by email at shawn.bonfield@avistacorp.com.

Sincerely,

/s/Linda M. Gervais
