To whom it may concern,

This letter is to confirm that Matthew Comella has been receiving mental health services from the CReW Program since May, 2017. I have provided Mr. Comella with mental health therapy for the past six months. Mr. Comella reports that he has found our services to be beneficial for his recovery and wellbeing. Over the course of his engagement with our counseling program, I have found Mr. Comella's dedication and integrity to be commendable. He is responsible and engaged in his recovery.

Sincerely,
