RE: Rabanco Ltd/Allied Waste of Kent Sea Tac Disposal Tariff filing

Dear Mr. Constantine,

Enclosed please find a copy of the transmittal letter notifying the Washington Utilities & Transportation Commission (WUTC) of a proposed renewal of the recycling processing rate surcharge to WUTC Tariff No. 26 for Rabanco Ltd, Certificate G-12, (dba Allied Waste Services of Kent, Rabanco Companies, SeaTac Disposal). This surcharge will be in effect for 180 days. And, depending on the changes in the volatile recycling market, could be renewed either higher or lower than the initial increase. The service area of this company covers King County.

Sincerely,
