

# MOTOR CARRIER SAFETY CERTIFICATION

**REQUIRED:** Does your company operate any vehicle with a seating capacity of seven or more persons, including the driver? **Enter Yes or No.**

Yes

The commission appreciates the service you provide to enhance the quality of life for those with special transportation needs. With their safety in mind, please review the safety requirements below.

If your company operates any vehicle(s) with a seating capacity of seven or more persons, including the driver, the following safety rules apply:

## Seven to 15 passengers (including driver)

- Minimum insurance of \$500,000 (WAC 480-31-70)
- Company must maintain an accident register with accident reports (49 CFR Part 390)
- Maintain driver qualification files including medical certificates (49 CFR Part 391)
- Vehicle must be marked (WAC 480-31-110)
- Company must ensure vehicles are properly equipped (lights, brakes, etc) (WAC 480-31-120)
- Maintain vehicle maintenance files and inspect, repair, and maintain vehicles (49 CFR Part 396) \*Note-Driver Vehicle Inspection Reports and Department of Transportation Periodic Inspections are not required for vehicles with this seating capacity

## 16 or more passengers (including driver)

Your company must comply with all requirements related to operating a commercial motor vehicle including commercial driver license, medical certification, and controlled substance and alcohol testing requirements. You must maintain a minimum insurance liability of \$1,000,000 (WAC 480-31-70). Visit our website to download a copy of our guide to "Achieving a Satisfactory Motor Carrier

**If you do not fully understand the safety requirements that apply to your company, please contact the Commission's Motor Carrier Safety program for technical assistance before completing the certification below.**

I am a qualified safety official and certify that I have read and understand how to comply with the safety requirements above.
