If you have obtained a permit in advance of this hearing, please let me know that when I call you up. In that case, we won't ask you to stop operating, but we will want you to acknowledge that you were operating without a permit and that you agree to stop operating if your permit is cancelled for whatever reason.

So option B is to ask for a classification hearing, and you would choose option B if you believe that your business is not subject to regulation by the Commission. In other words, you're denying that you're advertising, offering, or providing unpermitted services -- charter and excursion services.

So if you choose that option, we'll schedule an evidentiary hearing where you will be required to present proof that your business is not within the regulatory jurisdiction of the Commission. That hearing will be set out about two months from now with a deadline a week before the hearing for both you and Commission Staff to list your witnesses and file any exhibits.

Jason Hoxit will be speaking for Commission Staff this morning. If you have not already met him, he is seated at the table to my right, and he is a

1 unpermitted business. The law sets the maximum penalty 2 for each violation at \$5,000. Staff will recommend a 3 penalty, and you will have the chance to reach an 4 agreement with Staff on the penalty amount. If you are 5 unable to agree, Staff will explain a recommendation, 6 but the Commission will make the final decision on the 7 penalty.

And if you choose option B, that is, you deny you're operating as a charter or excursion carrier, we'll schedule another hearing. And in that case, it would help if you have your schedule so we can choose a date.

Page 7

Okay. So, Staff, I'll start by swearing you in.

(Jason Hoxit sworn.)

JUDGE CHARTOFF: Okay. So I'll start with A-Star Limousine. Can you please come forward, take a seat at the table, and make sure your microphone is turned on.

20 MS. PALM: Check, check. Let's see here. 21 JUDGE CHARTOFF: You might not be able to 22 see the...

Commission compliance investigator.

So -- okay. So now that I've gone over your choices, I have a few more things to tell you about the proceeding this morning. So in a few minutes, I'll call each of you up to the table to make your choice, and at that time, I will swear you in so that anything you tell the Court will be under oath.

Once you're sworn in, I will ask if you understand your choices for today's hearing, and I'll ask you to state your choice. If there's anything else you want to explain to me, you'll have a chance to do that.

If you choose option A, that is, to testify how you're getting out of the business, you can explain how you plan to do that. And depending on what proof you can provide, you may be given an opportunity to meet with Staff during a break in the hearing to negotiate an agreed order.

If you have recently received a permit, you'll also be given an opportunity to meet with Staff to negotiate an agreed order to resolve this matter. The agreed order will also deal with the penalty, and I'll briefly talk about that.

You were each served with a complaint that asked the Commission to penalize you for engaging in Page 8

JUDGE CHARTOFF: And can you please state your business address?

11 MS. PALM: Yes, it's 816 West Francis in 12 Spokane, Washington 99205.

JUDGE CHARTOFF: And what is your position with the company?

MS. PALM: I am the owner.

20 JUDGE CHARTOFF: Okay. So did you 21 understand the choices I explained earlier?

22 MS. PALM: Yes, I do.

14	MR. ENGEL: Yes.	
15	JUDGE CHARTOFF: Do you have any questions?	
16	No? Okay. I'll sign the order, and when you get a
