Re: Do Not Re-Docket -UG-190773
Cascade Natural Gas PGA and TTA Substitute Filing

Dear Mr. Johnson:

Cascade Natural Gas Corporation ("Cascade or "Company") filed revised tariffs to pass on rate adjustments designed to reflect the cost of gas in the Company's current gas supply portfolio on September 13, 2019, that is docketed as UG-190773. The Company now files for submission in the same docket, changes to two tariff sheets; each substitution is identified below.

First Revision Sheet No. 590
Substitute Thirty-Ninth Revision Sheet No. 595

The enclosed revision being made on Sheet No. 595 is to transfer the proposed rates to Sheet No. 590 and to zero out the rates appearing on Sheet No. 595. For better clarification on Sheet No. 590, the temporary rate increase is proposed to be in place for a three-year amortization. No changes in rates has been made since the original filing.

If you have any questions, please direct them to me at (509) 734-4593.

Sincerely,

/s/ Michael Parvinen
