If you choose this option, we will schedule a 8 formal evidentiary hearing at a later date where you 9 company? will be required to present proof that your business is 10 11 not subject to regulation by the Commission. The 11 hearing will be set for about a month from now with a 12 swear you in. deadline a week before the hearing for both you and 13 13 Commission Staff to list your witnesses and file any 14 14 15 exhibits. 15 16 Kathryn McPherson will be speaking for 16 Commission Staff this morning. Ms. McPherson is seated 17 17 at this table to my right. She's a Commission 18 19 compliance investigator. 19 So now that we've gone over your choices, certificate? 20 20 21 I'll explain what else will happen today. In a few 21 minutes, I will call each of you up here, after I 22 22 sneeze -- excuse me -- and I'll swear you in so that 23 23 anything that you tell the Court today will be under 24 24 oath. And once you're sworn in, I will ask you if you 25 kid that mows lawns on the weekends. I got a 9:00 to Page 6 1 understand the choices that I explained and then ask you

Page 7 JUDGE PEARSON: Okay. Thank you. All right. So let's call Mr. Kuntz up first. If you could just come up to the table and press the button on the microphone. Actually, it looks like that microphone is not turned on. Maybe grab the other one. And then it lights up green when it's ready to go. Okay. So what is your position with the MR. KUNTZ: I'm the owner/operator. JUDGE PEARSON: Okay. So let's go ahead and (David Kuntz sworn.) JUDGE PEARSON: Go ahead and take a seat. Okay. And do you understand your options here today as I explained them? MR. KUNTZ: Yes. JUDGE PEARSON: Okay. And do you admit that you were operating as a solid waste carrier without a MR. KUNTZ: I'm not sure if I admit to it. I would like to kind of explain my story. JUDGE PEARSON: Go ahead. MR. KUNTZ: Okay. So I'm kind of like the

2 to please tell me what your choice is. And if there's anything else that you want to explain to me, that will be your opportunity to do that. If you choose the first option, you'll need 6 to testify about how you plan to comply with the law either by obtaining a certificate or by shutting down the illegal portion of your business. You'll have an opportunity to meet with Staff during the break in the hearing to negotiate an agreed order to resolve this 10 11 matter. The agreed order will also deal with the proposed penalty. 12 The complaint asks the Commission to 13 penalize you for engaging in business as a solid waste collection company without a certificate, and the law sets the maximum penalty for each violation at a

15 thousand dollars. Staff will recommend a penalty and 17 you will have a chance to reach an agreement with Staff about the penalty amount, and if you are unable to 19 agree, then I will make the final decision about the 21 penalty amount after hearing arguments from both 22 parties. So, Ms. McPherson, I will swear you in now at this point. 2.4

Page 8 1 5:00 job, I did, up until a couple days ago, when I was doing this. And I just kind of did it on the weekends for extra money. I'm a single dad. And I've had nine jobs since I've had my business license just doing it on the weekends. 6 I didn't really prepare for any of the business stuff. I just thought I was doing it right by 8 going and getting a business license. And I guess I 9 didn't do my research on any of it. And, you know, when Ms. McPherson had sent me a letter and I called her and 10 she explained it to me, and I talked to her yesterday, 11 and I think I kind of got confused, and she said I must 12 have got confused with how she worded it and told me on 13 14 the phone Well, I went back and erased all my ads. I 15 16 had to have someone help me. I don't really know how to work the Internet too good. All my ads, and I thought I 17 erased all of them, and she said that now she seen that

JUDGE PEARSON: I understand. We have a lot 8 8 And then once you feel comfortable that you of carriers who come in for classification hearings who understand the order, you and Staff will both sign it. 9 weren't aware of the Commission's role in regulating Again, it will likely include an agreed penalty amount. 10 11 either solid waste or passenger transportation or The penalty may be small or there may be a reason that household goods moving service, so your story is -- is Staff asks for a larger penalty. That usually only 13 one that I hear a lot. happens if you've been here before, but this is your So now that you know, however, we just want first time, so that's unlikely. In most instances, part 14 of the penalty is suspended, so that means you wouldn't to make sure that you understand which activities 15 require a solid waste permit and which services do not 16 have to pay it unless you break the law again. So it 16 and come to an understanding that you agree to cease and would just be like -- it would be like -- I can't desist engaging in those regulated activities unless or remember what it's called when you get a traffic ticket until you obtain a certificate. 19 and they -- they let you go two years, and if you don't MR. MR. KUNTZ: Thank you, Your Honor. 2 JUDGE PEARSON: Okay. JUDGE PEARSON: Okay. Ms. McPherson, is 3 3 MR. So it sounds like you go ahead and take a seat. 8 8 agree to cease and desist, then, that you want to choose 9 And, Mr. Abdella, if you want to come 9 the first option. 10 10 forward MR. KUNTZ: And I don't have no 11 11 (Gary Abdella sworn.) JUDGE PEARSON: And could you please state documentation because I didn't know what to expect here. 12 12 JUDGE PEARSON: Okay. your name for the record? 13 13 MR. KUNTZ: But I mean, I can shut it down. MR. ABDELLA: Gary Abdella. 14 JUDGE PEARSON: Okay. And what's your role I don't know how I go -- maybe Department of Revenue and 15 15 16 ask them to shut it down. I don't even know how to go 16 with the company? 17 about doing it. 17 MR. ABDELLA: I just advertise for them. JUDGE PEARSON: Okay. So I think that when JUDGE PEARSON: Okay. 18 18 we take a break and you have an opportunity to meet with MR. ABDELLA: I'm a little confused. 19 19 JUDGE PEARSON: You advertise for whom? Staff, they can provide you with some technical 20 assistance about how to go about shutting your business 21 MR. ABDELLA: Jesse, the guy that owns the down and making sure that you close all those loops, 22 dumpsters. okay? JUDGE PEARSON: Okay. So what -- what would 23 So when we take a break, like I mentioned 24 you -- how would you describe your position with the 2.4 earlier, you can discuss the proposed penalty with Staff 25 company? You're just an employee?
