**Re: Docket UG-210758 (Advice No. 2021-31)  
PSE Natural Gas Tariff Revision – Do Not Redocket**

Dear Ms. Maxwell:

Puget Sound Energy ("PSE") hereby submits in connection with Docket UG-210758 a revised work paper to replace the work paper which accompanied PSE's September 30, 2021 filing submitted under PSE's Advice No. 2021-31.

After discussions with Commission Staff, the purpose of this substitute filing is to correct a formula error in the work paper which calculates anticipated Schedule 138 Voluntary Renewable Natural Gas volumes.

The work paper submitted with this filing contains commercially sensitive information, disclosure of which could adversely affect PSE's ability to effectively negotiate favorable gas supply agreements for its customers. Therefore, PSE requests that work paper tabs marked confidential be accorded confidential treatment. Pursuant to WAC 480-07-160, they have been marked "Shaded information is designated as confidential per WAC 480-07-160."

Posting of this substitute filing for public inspection and review, as required by law and the Commission's rules and regulations, is being completed in accordance with WAC 480-90-193(1).
