RE: *In the Matter of the Penalty Assessment Against Ultimate Movers LLC in the Amount of \$3,300,*
Dockets TV-210786 and TV-210787 (Consolidated)

TO ALL PARTIES:

On December 7, 2021, the Washington Utilities and Transportation Commission (Commission) entered Order 01 (Order 01) in Dockets TV-210786 and TV-210787 (Consolidated). The Order approved Ultimate Movers LLC's (Ultimate Movers or Company) safety management plan, upgraded the Company's safety rating to conditional, and extended the provisional household goods operating period. The Order further assessed a \$3,300 penalty against Ultimate Movers and suspended a \$2,000 portion of the assessed penalty for a period of two years, and then waived subject to the following conditions: a) Commission staff (Staff) conduct a follow-up investigation approximately six months from the date of the Order; b) Ultimate Movers not incur any repeat critical violations; and c) the Company pay the \$1,300 portion of the penalty that is not suspended.

On June 6, 2022, Ultimate Movers paid the \$1,300 portion of the penalty that was not suspended.

On August 3, 2022, Staff completed the required follow-up investigation. The Company achieved a satisfactory safety rating and did not receive any repeat violations of critical regulations.

The Commission finds that Ultimate Movers LLC has complied with the conditions of Order 01. The \$2,000 portion of the penalty that was suspended is now waived, and this docket is closed.
