RE: *In the Matter of the Investigation of Miracle Man Movers, LLC for Compliance with
WAC 480-15-555 and WAC 480-15-570
Docket TV-220511*

Dear Ms. Maxwell:

By this letter, Commission Staff respectfully requests that the Washington Utilities and Transportation Commission continue the deadline for filing an amended staff investigation report and associated Notice of Intent to Cancel in Docket TV-220511, presently set August 26, 2022. Staff requests a two-week extension of the deadline to September 9, 2022. On August 22, 2022, I spoke with a representative from the company who stated that the company supports this request. Additionally, good cause exists for granting this continuance. Several staff members working on this case have been out for a variety of personal reasons, making the presently-set deadline difficult to meet. Staff believes that good cause therefore exists due to this resource limitation, and because the company agreed to the continuance.

Sincerely,

/s/ Daniel J. Teimouri, WSBA No. 47965
