1. Within 30 days of approval of its ETC designation in Washington and prior to offering Lifeline services, DISH Wireless must make a compliance filing for approval by the Commission containing the following:

3. The information on DISH Wireless's rates, key terms, and conditions (e.g., return policy, usage definition, refill methods, annual certification requirement, and customer service contact) shall be provided in a package sent or given to Lifeline customers after enrollment in DISH Wireless's Lifeline program, as well as the company's official Lifeline website.
