**BEFORE THE WASHINGTON UTILITIES AND TRANSPORTATION COMMISSION
LESS THAN STATUTORY NOTICE REQUESTED BY:**

*** Company proposes to change (Include Title of Provision, Tariff number and Sheets/Pages being changed):**
Tariff WN U-6
see attached list

*** Present provisions are:**
Current rates reflect all rate changes expected to go into effect November 1, 2023, including rates for Schedule 231 Temporary Adjustments to Rates for Residential Bill Discount Program, which has recently been changed to reflect an effective date of January 1, 2024.

*** Proposed changes are:**
To update the rates to remove Schedule 231 impacts because they will not be in effect at November 1, 2023.

*** Explain why the company is proposing this tariff revision:**
NW Natural recently filed to move the requested effective date of Schedule 231 from November 1, 2023 to January 1, 2024 in docket UG-230739. The enclosed tariff sheets will appropriately reflect the rates expected to take effect November 1, 2023.

*** Explain why the Commission should allow this tariff revision to take effect with less than 30 days' notice (45 days' notice for solid waste):**
Given NW Natural's recently filed request to change the effective date of Schedule 231 from November 1, 2023 to January 1, 2024 in docket UG-230739, it is appropriate that the enclosed tariff schedules, which summarize all of the rates expected to go into effect November 1, 2023, have been updated to reflect the removal of Schedule 231 impacts. As a result, the enclosed tariff sheets will appropriately reflect the rates expected to take effect November 1, 2023.
